

ELEVO SUMMER

# Summer Upgraded. Fun + Learning Like Never Before

Summer Curriculum  
Includes:

-  **Enrichment**
-  **Sport**
-  **EQ**

Summer Program  
Highlights:

 **Themed  
Educational  
Enrichment  
Activities**

 **Rotational Sports  
& SEL-Infused  
Games**

 **Academic Supports  
(Math, Literacy  
Focused Games  
and Activities)**

## Week 1 World Cup

Start the season at full throttle! Build team agreements, forge community, and dive headfirst into World Cup STEAM challenges that ignite teamwork, strategy, and friendly competition.

## Week 2 Under the Sea

Journey beneath the waves to explore ocean life, water science, and creative marine themed projects that inspire curiosity about the world below the surface.

## Week 3 Mystery Detective

Embark on a thrilling week of brain-teasing challenges and hands-on problem-solving, packed with puzzles, clues, and creative missions that put your curiosity and ingenuity to the test like a real detective.

## Week 4 Space Odyssey

Blast off into a week of space exploration through astronaut style challenges, creative design tasks, and hands on engineering missions that promote teamwork, innovation, and cosmic curiosity.

## Week 5 Elevo's Got Talent

It's time for talents to take center stage! Whether students have a knack for dancing, performing circus arts, doing magic tricks, or have other hidden skills, they can explore their passions while building confidence, creativity, and teamwork, all leading up to a fun-filled talent showcase.

## Week 6 Color Burst

Immerse yourself in the vibrant world of color with hands-on activities like spin art, bubble painting, and tie-dye. Students unleash creativity as they experiment with bold techniques and discover how color transforms everything around them.

## Week 7 Outdoor Explorers

Venture outside to investigate nature, develop practical outdoor skills, and create projects inspired by local environments, ecosystems, and land history, encouraging curiosity, exploration, and a love of the outdoors.

# Summer Solutions for Your District

Whether you are looking for a full-service, turnkey summer solution, or need additional support for your existing programs, Elevo has you covered.

## ✓ Full Day | 8-9 Hours

Daily Program Blocks Include:

**Two STEAM Enrichment Blocks** (45-60 mins each)

- **Core Enrichment:** A hands-on thematic STEAM lesson
- **Enrichment Extensions:** Project-based learning, play-based centers, and LEGO challenges that build on the core enrichment theme.

**Daily Literacy Block** (15-20 minutes)

- TK-2: Thematic read-alouds paired with daily comprehension questions and STEAM-inspired challenges
- Grades 3-8: Short chapter books with student choice in text responses, discussion prompts, and creative extensions

**Two Daily Sessions of SEL-Infused Activities or Rotational Sports** (Up to 2 Different Sports) (45-60 mins)

*This structure ensures students experience meaningful academic growth while staying energized and connected throughout the day.*
